## **Item 6. Indemnification of Directors and Officers.**

The General Corporation Law of the State of Delaware (the “**DGCL**”), at Section 145, provides, in pertinent part, that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as the director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person’s conduct was unlawful.

The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person’s conduct was unlawful.

In addition, the indemnification of expenses (including attorneys’ fees) is allowed in derivative actions, except no indemnification is allowed in respect to any claim, issue or matter as to which any such person has been adjudged to be liable to the corporation, unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought decides that indemnification is proper.

To the extent that any such person succeeds on the merits or otherwise, such person shall be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred by such person in connection therewith. The determination that the person to be indemnified met the applicable standard of conduct, if not made by a court and if such person is a director or officer at the time of such determination, is made by the directors of the corporation by a majority vote of the directors not party to such an action, suit or proceeding even though less than a quorum, by a committee of such directors designated by a majority vote of such directors even though less than a quorum, or, if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion or by the stockholders. Expenses may be paid in advance upon the receipt, in the case of officers and directors, of undertakings to repay such amount if it shall ultimately be determined that the person is not entitled to be indemnified by the corporation as authorized in this section. A corporation may purchase indemnity insurance.

The above-described indemnification and advancement of expenses, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and inure to the benefit of such person’s heirs, executors and administrators.

Article VI of the Company’s By-laws provides that the Company shall indemnify its officers and directors for such expenses, judgments, fines and amounts paid in settlement to the full extent permitted by the laws of the State of Delaware.

Section 102(b)(7) of the DGCL, permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director’s duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. Article Seventh of the Company’s Restated Certificate of Incorporation contains such a provision.

Under insurance policies of the Company, directors and officers of the Company may be indemnified against certain losses arising from certain claims, including claims under the Securities Act, which may be made against such persons by reason of their being such directors or officers.

## Item 9. Undertakings.

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

*provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) shall not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

---

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of its annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions summarized in Item 6 above, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

---

## TEXAS INSTRUMENTS 2024 LONG-TERM INCENTIVE PLAN

**SECTION 1. Purpose.**

The Texas Instruments 2024 Long-Term Incentive Plan is intended as a successor plan to the Company's 2009 Long-Term Incentive Plan and the predecessors thereto. This Plan is designed to enhance the ability of the Company to attract and retain exceptionally qualified individuals and to encourage them to acquire a proprietary interest in the growth and performance of the Company.

**SECTION 2. Definitions.**

As used in the Plan, the following terms shall have the meanings set forth in this Section 2.

- (a) "*Affiliate*" shall mean (i) any entity that, directly or indirectly, is controlled by the Company and (ii) any entity in which the Company has a significant equity interest, in either case as determined by the Committee.
  - (b) "*Award*" shall mean any award of an Option, Restricted Stock, Restricted Stock Unit, Performance Unit or Other Stock-Based Award granted under the Plan.
  - (c) "*Award Agreement*" shall mean any written agreement, contract or other instrument or document evidencing an Award granted under the Plan, which may, but need not, be executed or acknowledged by a Participant. An Award Agreement may be in electronic form.
  - (d) "*Board*" shall mean the board of directors of the Company.
  - (e) "*Cause*" shall have the meaning set forth in the Award Agreement, if any, or if not so defined, shall have the meaning determined by the Company in its sole discretion.
  - (f) "*Change in Control*" shall mean an event that will be deemed to have occurred:
    - (i) On the date any Person, other than (1) the Company or any of its Subsidiaries, (2) a trustee or other fiduciary holding stock under an employee benefit plan of the Company or any of its Affiliates, (3) an underwriter temporarily holding stock pursuant to an offering of such stock, or (4) a corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of stock of the Company, acquires ownership of stock of the Company that, together with stock held by such Person, constitutes more than 50% of the total fair market value or total voting power of the stock of the Company. However, if any Person is considered to own more than 50% of the total fair market value or total voting power of the stock of the Company, the acquisition of additional stock by the same Person is not considered to be a Change in Control;
    - (ii) On the date a majority of members of the Board is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the Board before the date of the appointment or election; or
    - (iii) On the date any Person acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such Person) assets from the Company
-

that have a total gross fair market value equal to or more than 80% of the total gross fair market value of all of the assets of the Company immediately before such acquisition or acquisitions. For this purpose, gross fair market value means the value of the assets of the Company or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets. However, there is no Change in Control when there is such a sale or transfer to (i) a stockholder of the Company (immediately before the asset transfer) in exchange for or with respect to the Company's then outstanding stock; (ii) an entity, at least 50% of the total value or voting power of the stock of which is owned, directly or indirectly, by the Company; (iii) a Person that owns, directly or indirectly, at least 50% of the total value or voting power of the outstanding stock of the Company; or (iv) an entity, at least 50% of the total value or voting power of the stock of which is owned, directly or indirectly, by a Person that owns, directly or indirectly, at least 50% of the total value or voting power of the outstanding stock of the Company.

(iv) For purposes of (i), (ii) and (iii) of this Section 2(f),

(A) "Affiliate" shall have the meaning set forth in Rule 12b-2 promulgated under Section 12 of the Securities Exchange Act of 1934, as amended;

(B) "Person" shall have the meaning given in Section 7701(a)(1) of the Code. Person shall include more than one Person acting as a group as defined by the Final Treasury Regulations issued under Section 409A; and

(C) "Subsidiary" means any entity whose assets and net income are included in the consolidated financial statements of the Company audited by the Company's independent auditors and reported to stockholders in the annual report to stockholders.

(v) Notwithstanding the foregoing, in no case will an event in (i), (ii) or (iii) of this Section 2(f) be treated as a Change in Control unless such event also constitutes a "change in control event" with respect to the Company within the meaning of Treas. Reg. § 1.409A-3(i)(5) or any successor provision.

(g) "Code" shall mean the Internal Revenue Code of 1986, as amended from time to time, including any regulations or guidance issued thereunder.

(h) "Committee" shall mean a committee of the Board designated by the Board to administer the Plan. Unless otherwise determined by the Board, the Compensation Committee designated by the Board shall be the Committee under the Plan.

(i) "Company" shall mean Texas Instruments Incorporated, together with any successor thereto.

(j) "Fair Market Value" shall mean, with respect to any property (including, without limitation, any Shares or other securities), the fair market value of such property determined by such methods or procedures as shall be established from time to time by the Committee.

(k) "Incentive Stock Option" shall mean an option granted under Section 6 that is intended to meet the requirements of Section 422 of the Code, or any successor provision thereto.

(l) "Involuntary Termination" shall mean a separation from service, other than for Cause, due to the independent exercise of unilateral authority of the Company or any Affiliate to

terminate the Participant's services, other than due to the Participant's implicit or explicit request, where the Participant was willing and able to continue to perform services, provided that such separation from service satisfies the requirements of Section 409A to the extent necessary.

- (m) "*Non-Qualified Stock Option*" shall mean an option granted under Section 6 that is not intended to be an Incentive Stock Option.
- (n) "*Option*" shall mean an Incentive Stock Option or a Non-Qualified Stock Option.
- (o) "*Other Stock-Based Award*" shall mean any right granted under Section 10.
- (p) "*Participant*" shall mean an individual granted an Award under the Plan.
- (q) "*Performance Unit*" shall mean any right granted under Section 8.
- (r) "*Plan*" shall mean this Texas Instruments 2024 Long-Term Incentive Plan, as may be amended from time to time.
- (s) "*Restricted Stock*" shall mean any Share granted under Section 7.
- (t) "*Restricted Stock Unit*" shall mean a contractual right granted under Section 7 that is denominated in Shares, each of which represents a right to receive the value of a Share (or a percentage of such value, which percentage may be higher than 100%) on the terms and conditions set forth in the Plan and the applicable Award Agreement.
- (u) "*Section 409A*" shall mean Section 409A of the Code.
- (v) "*Shares*" shall mean shares of the common stock of the Company, \$1.00 par value.
- (w) "*Specified Employee*" shall mean an employee who is a "specified employee" (as defined in Section 409A(2)(b)(i) of the Code) for the applicable period, as determined by the Committee in accordance with Treas. Reg. § 1.409A-1(i) or any successor provision.
- (x) "*Stock Appreciation Right*" or "*SAR*" shall mean any right granted pursuant to Section 9 to receive, upon exercise by the Participant, the excess of (i) the Fair Market Value of one Share on the date of exercise or any date or dates during a specified period before the date of exercise over (ii) the grant price of the right, which grant price, except in the case of Substitute Awards, shall not be less than the Fair Market Value of one Share on the date of grant of the right.
- (y) "*Substitute Awards*" shall mean Awards granted in assumption of, or in substitution for, outstanding awards previously granted by a company acquired by the Company or with which the Company combines.

### **SECTION 3. Eligibility.**

- (a) Any individual who is employed by the Company or any Affiliate and any individual who provides services to the Company or any Affiliate as an independent contractor, including any officer or employee-director, shall be eligible to be selected to receive an Award under the Plan.

- (b) An individual who has agreed to accept employment by, or to provide services to, the Company or an Affiliate shall be deemed to be eligible for Awards hereunder as of commencement of employment.
- (c) Directors who are not full-time or part-time officers or employees are not eligible to receive Awards hereunder.
- (d) Holders of options and other types of awards granted by a company acquired by the Company or with which the Company combines are eligible for grant of Substitute Awards hereunder.

**SECTION 4. Administration.**

- (a) The Plan shall be administered by the Committee.
- (b) Subject to the terms of the Plan and applicable law, the Committee shall have full power and authority to: (i) designate Participants; (ii) determine the type or types of Awards (including Substitute Awards) to be granted to each Participant under the Plan; (iii) determine the number of Shares to be covered by (or with respect to which payments, rights, or other matters are to be calculated in connection with) Awards; (iv) determine the terms and conditions of any Award, including any amendments or revisions thereto; (v) determine whether, to what extent, and under what circumstances Awards may be settled or exercised in cash, Shares, other securities, other Awards, or other property, or canceled, forfeited or suspended, and the method or methods by which Awards may be settled, exercised, canceled, forfeited or suspended; (vi) determine, consistent with Section 11(f), whether, to what extent, and under what circumstances cash, Shares, other securities, other Awards, other property, and other amounts payable with respect to an Award under the Plan shall be deferred either automatically or at the election of the holder thereof or of the Committee; (vii) interpret and administer the Plan and any instrument or agreement relating to, or Award made under, the Plan; (viii) establish, amend, suspend or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan, including adopting sub-plans and addenda for Participants outside the United States to achieve favorable tax results or facilitate compliance with applicable laws; (ix) determine whether and to what extent Awards should comply or continue to comply with any requirement of statute or regulation; and (x) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan.
- (c) All decisions of the Committee shall be final, conclusive and binding upon all parties, including the Company or any Affiliate, the stockholders and the Participants.

**SECTION 5. Shares Available for Awards.**

- (a) Subject to adjustment as provided in this Section 5, the number of Shares available for issuance under the Plan shall be 33,000,000 shares.
- (b) If, after the effective date of the Plan, (i) any Shares covered by an Award, or to which such an Award relates, are forfeited or (ii) any Award expires or is cancelled or otherwise

terminated, then the number of Shares available for issuance under the Plan shall increase, to the extent of any such forfeiture, expiration, cancellation or termination. For purposes of this Section 5(b) awards and options granted under any previous option or long-term incentive plan of the Company (other than a Substitute Award granted under any such plan) shall be treated as Awards. For the avoidance of doubt, the number of Shares available for issuance under the Plan shall not be increased by: (i) the withholding of Shares as a result of the net settlement of an outstanding Option or SAR; (ii) the delivery of Shares to pay the exercise price or withholding taxes relating to an Award; or (iii) the repurchase of Shares on the open market using the proceeds of an Option's exercise.

- (c) Any Shares underlying Substitute Awards shall not be counted against the Shares available for granting Awards.
- (d) Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares, of treasury Shares or of both.
- (e) In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares such that an adjustment is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall equitably adjust any or all of (i) the number and type of Shares (or other securities or property) which thereafter may be made the subject of Awards, including the aggregate limit specified in Section 5(a), (ii) the number and type of Shares (or other securities, cash or property) subject to outstanding Awards, (iii) the grant, purchase, or exercise price with respect to any Award or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award, and (iv) the terms and conditions of any outstanding Awards, including the performance criteria of any Awards; *provided, however*, that the number of Shares subject to any Award denominated in Shares shall always be a whole number. Any such adjustment with respect to a "stock right" outstanding under the Plan, as defined in Section 409A, shall be made in a manner that is intended to avoid the imposition of any additional tax or penalty under Section 409A.

#### **SECTION 6. Options.**

- (a) The Committee is hereby authorized to grant Options to Participants with the terms and conditions described in this Section 6 and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine.
- (b) The purchase price per Share under an Option shall be determined by the Committee; *provided, however*, that, except in the case of Substitute Awards, such purchase price shall not be less than the Fair Market Value of a Share on the date of grant of such Option.

- (c) The term of each Option shall be fixed by the Committee but shall not exceed 10 years; *provided, however*, that the Committee may provide for a longer term to accommodate regulations in non-U.S. jurisdictions that require a minimum exercise or vesting period following a Participant's death to achieve favorable tax results or comply with local law.
- (d) The Committee shall determine the time or times at which an Option may be exercised in whole or in part, and the method or methods by which, and the form or forms (including, without limitation, cash, Shares, other Awards, or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the relevant exercise price) in which, payment of the exercise price with respect thereto may be made or deemed to have been made.
- (e) The terms of any Incentive Stock Option granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code, or any successor provision thereto, and any regulations promulgated thereunder, but the Company makes no representation that any options will qualify, or continue to qualify as an Incentive Stock Option and makes no covenant to maintain Incentive Stock Option status.

**SECTION 7. *Restricted Stock and Restricted Stock Units.***

- (a) The Committee is hereby authorized to grant Awards of Restricted Stock and Restricted Stock Units to Participants with the terms and conditions described in this Section 7 and with such additional terms and conditions, in either case not inconsistent with the provisions of the Plan, as the Committee shall determine.
- (b) Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to vote a Share of Restricted Stock or the right to receive any dividend or other right or property), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.
- (c) Any share of Restricted Stock granted under the Plan may be evidenced in such manner as the Committee may deem appropriate including, without limitation, book-entry registration or issuance of a stock certificate or certificates. In the event any stock certificate is issued in respect of shares of Restricted Stock granted under the Plan, such certificate shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.
- (d) Except as otherwise determined by the Committee, upon termination of employment or cessation of the provision of services (as determined under criteria established by the Committee) for any reason during the applicable restriction period, all Shares of Restricted Stock and all Restricted Stock Units still, in either case, subject to restriction shall be forfeited and reacquired by the Company; *provided, however*, that the Committee may, when it finds that a waiver would be in the best interests of the Company, waive in whole or in part any or all remaining restrictions with respect to Shares of Restricted Stock or Restricted Stock Units.

**SECTION 8. *Performance Units.***

- (a) The Committee is hereby authorized to grant Performance Units to Participants with terms and conditions as the Committee shall determine not inconsistent with the provisions of the Plan.
- (b) Subject to the terms of the Plan, a Performance Unit granted under the Plan (i) may be denominated or payable in cash, Shares (including, without limitation, Restricted Stock), other securities, other Awards, or other property and (ii) shall confer on the holder thereof rights valued as determined by the Committee and payable to, or exercisable by, the holder of the Performance Unit, in whole or in part, upon the achievement of such performance goals during such performance periods as the Committee shall establish. Subject to the terms of the Plan, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Unit granted and the amount of any payment or transfer to be made pursuant to any Performance Unit shall be determined by the Committee.

**SECTION 9. *Stock Appreciation Rights (SARs).***

- (a) The Committee is hereby authorized to grant SARs to Participants with terms and conditions as the Committee shall determine not inconsistent with the provisions of the Plan.
- (b) The term of each SAR shall be fixed by the Committee but shall not exceed 10 years; *provided, however*, that the Committee may provide for a longer term to accommodate regulations in non-U.S. jurisdictions that require a minimum exercise or vesting period following a Participant's death to achieve favorable tax results or comply with local law.

**SECTION 10. *Other Stock-Based Awards.***

The Committee is hereby authorized to grant to Participants such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares) as are deemed by the Committee to be consistent with the purposes of the Plan. Subject to the terms of the Plan, the Committee shall determine the terms and conditions of such Awards. Shares or other securities delivered pursuant to a purchase right granted under this Section 10 shall be purchased for such consideration, which may be paid by such method or methods and in such form or forms, including, without limitation, cash, Shares, other securities, other Awards, or other property, or any combination thereof, as the Committee shall determine, the value of which consideration, as established by the Committee, shall, except in the case of Substitute Awards, not be less than the Fair Market Value of such Shares or other securities as of the date such purchase right is granted.

**SECTION 11. General Provisions Applicable to Awards.**

- (a) Awards shall be granted for no cash consideration or for such minimal cash consideration as may be required by applicable law.
- (b) Awards may, in the discretion of the Committee, be granted either alone or in addition to or in tandem with any other Award or any award granted under any other plan of the Company. Awards granted in addition to or in tandem with other Awards, or in addition to or in tandem with awards granted under any other plan of the Company, may be granted either at the same time as or at a different time from the grant of such other Awards or awards.
- (c) Subject to the terms of the Plan, payments or transfers to be made by the Company upon the grant, exercise or settlement of an Award may be made in such form or forms as the Committee shall determine including, without limitation, cash, Shares, other securities, other Awards, or other property, or any combination thereof, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case in accordance with Section 11(f) and rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or, with respect only to Awards other than Options and SARs, the grant or crediting of dividend equivalents in respect of installment or deferred payments.
- (d) Unless the Committee shall otherwise determine, (i) no Award, and no right under any such Award, shall be assignable, alienable, saleable or transferable by a Participant otherwise than by will or by the laws of descent and distribution; *provided, however*, that, if so determined by the Committee, a Participant may, in the manner established by the Committee, designate a beneficiary or beneficiaries to exercise the rights of the Participant, and to receive any property distributable, with respect to any Award upon the death of the Participant; (ii) each Award, and each right under any Award, shall be exercisable during the Participant's lifetime only by the Participant or, if permissible under applicable law, by the Participant's guardian or legal representative; and (iii) no Award, and no right under any such Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment or encumbrance thereof shall be void and unenforceable against the Company. The provisions of this paragraph shall not apply to any Award which has been fully exercised, earned or paid, as the case may be, and shall not preclude forfeiture of an Award in accordance with the terms thereof.
- (e) All certificates for Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares or other securities are then listed, and any applicable federal, state or foreign securities laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

- (f) Unless the Committee expressly determines otherwise in the Award Agreement, any Award of an Option, SAR, or Restricted Stock is intended to qualify as a stock right exempt under Section 409A, and the Plan and each Award Agreement will be interpreted and administered in a manner consistent with such intention. In the event that any provision of the Plan or an Award Agreement is determined by the Committee to not comply with the applicable requirement of Section 409A, the Committee will have the authority to take such actions and make such changes to the Plan or Award Agreement deemed necessary to comply with Section 409A. Each payment made under an Award will be treated as a separate payment for purposes of Section 409A. Unless the Committee expressly determines otherwise in the Award Agreement, with respect to any other Award that would constitute deferred compensation within the meaning of Section 409A, the Award Agreement shall set forth the time and form of payment and the election rights, if any, of the holder in a manner that is intended to avoid the imposition of additional taxes and penalties under Section 409A. Notwithstanding any provision of the Plan or any Award Agreement, if at the time of termination of a Participant's employment or service with the Company the Participant is a Specified Employee and any payments upon such termination under the Plan or such Award Agreement would constitute deferred compensation within the meaning of Section 409A, the Participant will not be entitled to such payments until the earlier of (a) the date that is six months after such termination or (b) any earlier date that does not result in any additional tax or interest to such Participant under Section 409A. Any delayed payment to a Specified Employee will be made without interest. The Company makes no representation or covenant that any Award granted under the Plan will comply with Section 409A. In no event will the Company be liable for any additional tax, interest or penalties that may be imposed on a Participant by Section 409A or any damages due to a failure to comply with Section 409A.
- (g) The Committee shall not have the authority to provide in any Award granted hereunder for the automatic award of an Option upon the exercise or settlement of such Award.
- (h) If a Participant experiences an Involuntary Termination within 24 months after a Change in Control, then,
- (i) (A) in the case of an Option or SAR, the Option or SAR shall immediately become fully vested and exercisable, and (B) in the case of Restricted Stock, Restricted Stock Units, Performance Units or Other Stock-Based awards, any restrictions applicable to the Award shall lapse and the applicable Award shall immediately become fully vested, in each case upon the effective date of such termination;
  - (ii) to the extent permitted without additional tax or penalty by Section 409A, the shares underlying Restricted Stock Units, Performance Units or Other Stock-Based Awards held by the Participant will be issued on, or as soon as practicable (but no later than 60 days) after, the Participant's Involuntary Termination; *provided, however*, that if the Participant is a Specified Employee upon such termination, the shares will be issued on, or as soon as practicable (but no more than 10 days) after, the first day of the seventh month following such Involuntary Termination; and
  - (iii) to the extent that the issuance of shares as specified in (ii) above is not permitted without additional tax or penalty by Section 409A, the Award will continue to full term and the shares will be issued at the issuance date specified in the Award

Agreement as if the Participant were still an employee of the Company or any Affiliate on such date.

**SECTION 12. Cancellation or Clawback of Awards.**

- (a) The Committee may specify in an Award Agreement that a Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but are not limited to, termination with or without Cause, violation of Company policies, breach of non-competition, non-solicitation, confidentiality or other restrictive covenants, or requirements to comply with minimum stock ownership requirements, that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Affiliates.
- (b) The Committee shall have full authority to implement any policies and procedures necessary to comply with any reduction, cancellation, forfeiture or recoupment requirement imposed under any applicable laws, rules, regulations or stock exchange listing standards or under any associated Company recoupment policy, including, without limitation, Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, Section 10D of the Exchange Act and any rules promulgated thereunder and any other regulatory regimes, including Rule 10D-1 of the Exchange Act and Section 5608 of the Nasdaq Listing Rules. For the avoidance of doubt and notwithstanding anything to the contrary contained herein or otherwise, any Award shall be subject to any such policy or procedure, and the Committee may, to the extent permitted by applicable law and stock exchange rules or by any applicable Company policy or arrangement, and shall, to the extent required, cancel or require reimbursement of any Award or any Shares issued or cash received upon vesting, exercise or settlement of any such Award or sale of Shares underlying such Award.

**SECTION 13. Amendment and Termination.**

- (a) Unless otherwise expressly provided in an Award Agreement or in the Plan, the Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; *provided, however*, that no such amendment, alteration, suspension, discontinuation or termination shall be made without (i) stockholder approval if such approval is necessary to comply with the listing requirements of The NASDAQ Stock Market or (ii) the consent of the affected Participants, if such action would materially adversely affect the rights of such Participants under any outstanding Award. Notwithstanding anything to the contrary herein, the Committee may amend the Plan in such manner as may be necessary to enable the Plan to achieve its stated purposes in any jurisdiction outside the United States in a tax-efficient manner and in compliance with local rules and regulations.
- (b) The Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue or terminate, any Award theretofore granted, prospectively or retroactively,

without the consent of any relevant Participant or holder or beneficiary of an Award; *provided, however*, that (i) no such action shall materially impair the rights of any affected Participant or holder or beneficiary under any Award theretofore granted under the Plan; (ii) except as provided in Section 5(e), no such action shall reduce the exercise price of any Option or SAR established at the time of grant thereof; and (iii) except in connection with a corporate transaction involving the Company (including an event described in Section 5(e)), an Option or SAR may not be terminated in exchange for (x) a cash amount greater than the excess, if any, of the Fair Market Value of the underlying Shares on the date of cancellation over the exercise price times the number of Shares outstanding under the Award (the “*Award Value*”), (y) another Option or SAR with an exercise price that is less than the exercise price of the cancelled Option or SAR, or (z) any other type of Award. For avoidance of doubt, in connection with a corporate transaction involving the Company (including an event described in Section 5(e)), any Award may be terminated in exchange for a cash payment, and such payment is not required to exceed the Award Value. Notwithstanding the foregoing, the Committee may terminate Awards granted in any jurisdiction outside the United States prior to their expiration date for consideration determined by the Committee when, in the Committee’s judgment, the administrative burden of continuing Awards in such locality outweighs the benefit to the Company. Any such action taken with respect to an Award intended to be a stock right exempt under Section 409A shall be consistent with the requirements for exemption under Section 409A, and any such action taken with respect to an Award that constitutes deferred compensation under Section 409A shall be in compliance with the requirements of Section 409A. The Committee also may modify any outstanding Awards to comply with Section 409A without consent from Participants. The Company makes no representation or covenant that any action taken pursuant to this Section 13(b) will comply with Section 409A.

- (c) The Committee shall be authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of changes in applicable laws, regulations or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan. Any such action taken with respect to an Award intended to be a stock right exempt under Section 409A shall be consistent with the requirements for exemption under Section 409A, and any such action taken with respect to an Award that constitutes deferred compensation under Section 409A shall be in compliance with the requirements of Section 409A. However, the Company makes no representation or covenants that Awards will comply with Section 409A.
- (d) The Committee may correct any defect, supply any omission, or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry the Plan into effect.

**SECTION 14. *Miscellaneous.***

- (a) No employee, independent contractor, Participant or other person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of

treatment of employees, independent contractors, Participants, or holders or beneficiaries of Awards, either collectively or individually, under the Plan. The terms and conditions of Awards need not be the same with respect to each recipient.

- (b) The Committee may delegate to another committee of the Board, one or more officers or managers of the Company, or a committee of such officers or managers, the authority, subject to such terms and limitations as the Committee shall determine, to grant Awards to, or to cancel, modify, waive rights with respect to, alter, discontinue, suspend or terminate Awards held by, employees who are not officers or directors of the Company for purposes of Section 16 of the Securities Exchange Act of 1934, as amended; *provided, however*, that any such delegation to management shall conform with the requirements of the General Corporation Law of Delaware, as in effect from time to time.
- (c) The Company shall be authorized to withhold from any Award granted or any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant the amount (in cash, Shares, other securities, other Awards, or other property) of withholding taxes (including income tax, social insurance contributions, payment on account and other taxes) due in respect of an Award, its exercise, or any payment or transfer of Shares, cash or property under such Award or under the Plan and to take such other action (including, without limitation, providing for elective payment of such amounts in cash, Shares, other securities, other Awards or other property by the Participant) as may be necessary in the opinion of the Company to satisfy all obligations of the Company for the payment of such taxes.
- (d) Nothing contained in the Plan shall prevent the Company from adopting or continuing in effect other or additional compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.
- (e) The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ or service of the Company or any Affiliate. Further, the Company or the applicable Affiliate may at any time dismiss a Participant from employment or terminate the services of an independent contractor, free from any liability, or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement or in any other agreement binding the parties.
- (f) If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, person or Award, and the remainder of the Plan and any such Award shall remain in full force and effect.
- (g) Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other person. To the extent that any person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company.

- (h) No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

**SECTION 15. *Effective Date of the Plan.***

The Plan shall be effective as of the date of its approval by the stockholders of the Company.

**SECTION 16. *Term of the Plan.***

No Award shall be granted under the Plan after April 25, 2034. However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee and the Board under Section 13 to amend, alter, adjust, suspend, discontinue, or terminate any such Award, or to waive any conditions or rights under any such Award, and to amend the Plan, shall extend beyond such date.

**SECTION 17. *Governing Law.***

The Plan shall be construed in accordance with and governed by the laws of the State of Texas without giving effect to the principles of conflict of laws thereof.
